Decision: In my opinion this debate was won by (circle one) Affirmative or Negative

Tally of Stock Issues. Award Stock Issues according to the "Harm Threads" (Thread number will vary with each AFF case.) Circle each Stock Issue awarded to the Affirmative, cross out each Stock Issue "refuted" or "taken" by the Negative. The AFF Team must hold all 4 stock issues in one thread to win *that* thread, otherwise the NEG Team "takes" the thread. The AFF team must win at least one thread to win round; otherwise, the Negative wins round.
